The Tunnel to Towers Foundation is pleased to announce it has broken ground on the Let Us Do Good Village in Land O'Lakes Florida. The Tunnel to Towers Foundation will build over 100 homes in this community and provide them all mortgage-free to our nation's catastrophically injured veterans and first responders, as well as Gold Star and Fallen First Responder families. This first of its kind community will feature a state-of-the-art community center with an ADA compliant gym and pool, movie theater, basketball court, pickleball court, meeting rooms, playgrounds and more. The goal is to bring families with similar backgrounds together to heal and help one another.
