

## Demshar's Foundation News

Dear Foundation Supporters:

A special thanks to our friend, Pastor Norman Lee Schaffer, for an amazing concert last week. His energy, enthusiasm, and genuine love for the Lord made the evening so special. We are grateful to everyone who came out to support this event. The room configuration made the seating and viewing difficult, but Norman did a terrific job of moving from one section to another with a little bar hopping (literally) to keep things lively! For those who couldn't get tickets – we are genuinely sorry and are actively searching for a more suitable venue. Stay tuned for coming events!

We are pleased to announce that thanks to the many people who contributed to the Norman Lee event, we will be distributing \$8,000 to charities from the proceeds of the evening. The raffle for restaurant gift cards was quite popular and generated \$1,350!

Our deepest appreciation to the generous individuals who donated \$100 gift cards for the raffle prizes:

- Jeremy DiFiore- Edward Jones - Mulberry and Lecanto locations (352) 513-2195
- Karey Yarborough- RE/MAX – Wildwood (321) 432-1292
- Shane Finley – The Villages Insurance - Lake Sumter (352) 751-6622

Also, our gratitude to Donnie Covey of Honey Baked Ham Co, Lady Lake, for his donation of a ham, side dishes, rolls and dessert for the autumn gift basket. After some extras were added to the basket, it was put up for auction by Norman Lee, who did not stop until he had a bid for \$600!

As some of you might know, we have resumed management of our businesses in the St. Augustine/Palm Coast areas, so will be spending most of our time up there for the foreseeable future. If you don't see us around as much, that is the reason, but we will occasionally be making it back to The Villages.

Again, our sincere thanks for the ongoing support. Wishing all of you the very best as we head into this beautiful fall season.

Edie & Dennis Demshar
