The champagne was flowing at the “Tiny Bubbles” gala on January 22! Over 150 people purchased tickets to the event which began with the talented Willie Brancaccio on the piano while guests sipped champagne and looked over the many items that were donated to the auction. Singer Mark Raisch provided the perfect background vocals for dinner and dancing, and Norman Lee Schaffer was an energetic auctioneer who had the crowd entertained throughout the bidding wars.

Thanks to so many generous people, the net result was over \$20,000 raised for the foundation’s charities, which include *House of Hope, Hands of Mercy Everywhere, St. Vincent de Paul, The Garden Worship Center’s “Love Outreach” program, The Villages Regional Hospital Auxiliary Foundation’s Scholarship program, and Tunnel to Towers Foundation.*

Looking ahead to the next event, Demshar’s Foundation will be holding a golf tournament to benefit ***Tunnel to Towers*** on Saturday, April 23, at Eagle Ridge Golf Club at Del Webb. Early registration is \$85 before March 15. More information is available at Demsharsfoundation.com. Players and sponsors are needed and greatly appreciated.

The "Tiny Bubbles" gala photos are now available for download on the website Demsharsfoundation.com under the ‘Events’ tab.
